Unique

Sitting high atop Moose Mountain, Lutsen Mountains' Summit Chalet is a breathtaking new wedding site, and possibly the most unique location in Minnesota. The bride and groom, and all their guests, board the Midwest's only gondola which transports them along an enchanting ride to the top of Moose Mountain. Northwoods opulence awaits inside the 5,000 square-foot Summit Chalet with its large open seating area boarded by windows, a stone wood-burning fireplace, and cascading wall waterfall. A large sundeck overlooking Lake Superior adds to the ambiance, and is the perfect place for a couple to pledge their lives to one another.

Awe-Inspiring

Panoramic views of emerald waters, national forest, and the jagged beauty of the North Shore will be the backdrop for your special day. The awe-inspiring surroundings will set the mood for the most extraordinary day of your lives, and the beginning of a wonderful life together.

Celebration

After an outdoor ceremony on the expansive deck overlooking Lake Superior, the Summit Chalet's warm and festive ambiance welcomes the bride and groom, and all their guests inside for a memorable celebration. Up to 160 guests will be seated comfortably indoors for a sumptuous dinner created by our Executive Chef. Choose from gourmet selections that are appropriately suited for an evening of northwoods elegance.

Stay

Accommodations are available at Eagle Ridge Resort. A group block can be set aside for your group; your guests will receive a 10% discount off the regular rate. Also, if your party reserves a minimum number of rooms, you receive a discount on the Summit Chalet rental — plus, the bride and groom receive a complimentary fireplace or Jacuzzi studio for their wedding night. A number of different unit-types are available including studios, and one-, two-, and three-bedroom condos.
